

The Baldwin Breeze

Spring Newsletter

Welcome to the spring edition of the Baldwin Breeze! We are looking forward to another great year.

American Pool will be managing the pool again this year. American Pool, based out of Owings Mills, Maryland, was founded in 1984 and serves over 3000 commercial pools nationwide. They will be managing the lifeguards in addition to the usual pool maintenance.

Calling all mowers!

The grounds need to be mowed and weeds need trimmed on a weekly basis when the pool is open (and on a bi-weekly basis during the growing season when the pool is closed). To keep expenses low, we have always done this in-house.

We need a handful of volunteers who are willing to mow once (or more) during the summer, and we need a volunteer Mowing Coordinator to organize the mowing schedule.

The first mowing counts as your member service requirement, and anyone who mows additional times will get \$50 for each mowing.

You must have your own riding mower.

If you are willing and able to mow, please indicate this on your membership invoice (and choose this over the other opportunities, as it has been difficult to get enough mowers). If you are interested in serving as the Mowing Coordinator for the pool, please contact Chuck (ccerriajr@gmail.com).

Thank you!!!

Also just a reminder of a few pool rules: there is a **no alcohol policy**, and please remember that children under 13 years of age must be accompanied by an adult.

A quiet retreat from today's hectic schedules.

We have several events planned for the summer:

Memorial Day Weekend we will be hosting a pot luck barbeque.

The **Annual Luau** will be held in July.

Smore's Nite and our **Dive-In Movie** will be a pleasant evening in August.

Mark your calendars - The Spring Clean-up date is Saturday, May 5th starting at 9:00 a.m. Sign up to help on your membership invoice.

New Members Welcome

We had 70 active member families last year. If you know anyone who would be interested in joining this summer, please direct them to the website www.baldwinhillsswimclub.com

Inclement weather

In the case of inclement weather, you can call the pool phone (410-923-6007) to check if it is open. If no answer, it is closed! If thunder occurs, the pool is evacuated (for 30 minutes after the last occurrence). If lightning occurs, the pool is closed and everyone must leave the premises. We also will send out an email or text if this happens.

Under American Pool's general policy, if the pool does not open by 4 pm due to inclement weather, it will remain closed for the day.
